BN (COLLABORATIVE) PROGRAM**

MEMORANDUM

TO: Year 3 BN Students (Class 2022)
FROM: Denise Waterman, Registrar (Room 1132, Telephone 777-8171, email dwaterman@mun.ca)
DATE: June 19, 2020
RE: Fall Semester Registration

.....

IMPORTANT REMINDER – DUE TO COVID-19: As per the email from Anne Marie Tracey, May 19th, all nursing theory courses will be taught remotely for the fall 2020 semester.

Clinical courses will proceed when the health authorities give permission to return to clinical.

Lab courses/lab components of courses will be offered remotely in the Fall semester to the extent possible. The exception are labs or parts of a lab that cannot be done effectively unless on site, **and** need to occur before or concurrent with a clinical course.

We recognize that the required changes in the offering of the program may not be feasible for some. If you would prefer to delay taking your fall 2020 clinical or nursing theory courses, please notify the Associate Director to discuss. Please be aware that this will result in a delay in completion of the Program.

REGISTRATION

Registration for fall begins July 14, 2020. Attached is your class schedule for Fall Semester.

To avoid problems with registration, **please register for your courses in the following order: 1) NURS 3001, 2) NURS 3501, 3) NURS 3104, 4) NURS 3000 and 5) NURS 3500.** (If you try to mix and match, you will have conflicts)

- **Students registering for NURS 3001, 030-43263 must register for NURS 3501, 032-45540 or NURS 3501, 033-45541, NURS 3104, 030-50838, NURS 3000 030 and NURS 3500 032 or 033. (purple and green color coded on schedule)**
