

**CENTRE FOR NURSING STUDIES  
BN (COLLABORATIVE) PROGRAM**

**MEMORANDUM**

**TO:** Year 4 Students (Class 2021)  
**FROM:** Denise Waterman, Registrar (Room 1132, Telephone 777-8171, E-mail [dwaterman@mun.ca](mailto:dwaterman@mun.ca))  
**DATE:** June 19, 2020  
**RE:** Fall Semester Registration

.....

**IMPORTANT REMINDER – DUE TO COVID-19:** As per the email from Anne Marie Tracey, May 19<sup>th</sup>, all nursing theory courses will be taught remotely for the fall 2020 semester.

Clinical courses will proceed when the health authorities give permission to return to clinical.

Lab courses/lab components of courses will be offered remotely in the Fall semester to the extent possible. The exception are labs or parts of a lab that cannot be done effectively unless on site, **and** need to occur before or concurrent with a clinical course.

We recognize that the required changes in the offering of the program may not be feasible for some. If you would prefer to delay taking your fall 2020 clinical or nursing theory courses, please notify the Associate Director to discuss. Please be aware that this will result in a delay in completion of the Program.

Registration for Fall begins July 14, 2020. Attached is your class schedule for Fall Semester.

To avoid problems with registration, **please register for your courses in the following order: 1) NURS 3523 2) NURS 4103 and, 3) NURS 4100. [These courses will run in 6 week blocks. Dates to be determined. Will alternate with NURS 3523.]**

If you need further clarification or experience trouble with registration, please call the Help Line at the Office of the Registrar at MUN (864-4442, 864-4445); or the Centre for Nursing Studies – Denise Waterman, Registrar – 709-777-8171, email [dwaterman@mun.ca](mailto:dwaterman@mun.ca).

**Important Reminder:** You are responsible for ensuring your CPR-HCP certificate is current (within 12 months). You will be asked to provide a **photocopy** of your certificate prior to commencement of clinical practice. **Please keep the original for your files. Please monitor service provider (Red Cross, Heart & Stroke, St. John Ambulance etc.) availability and when session are available, please schedule your re-certification if expired.**

**Centre for Nursing Studies  
Bachelor of Nursing (Collaborative) Program  
Fall Schedule – Year 4 (Class 2021)**
