Admission Requirements

IENs applying to the IEN Bridging/RN Re-Entry Program must complete an application form that identifies the courses for which the application is intended. Other documents to be submitted with the application form include:

- Application Form
- Copy of Passport Photo (Note: valid government issued identification is required for Newfoundland Residents)
- Submission of National Nursing Assessment Services (NNAS) report.
- Proof of eligibility to work or study in Canada through documentation of:

- Copy of referral letter from a Canadian nursing regulatory body indicating eligibility for interim license following successful completion of the program or specified course(s).
- For IENs whose first language is not English or who completed their nursing education in a language other than English, a test of English must be completed. An official copy of the test results must be submitted before program/course commencement. If such documentation is with the CRNNL, the IEN student can request that a verified copy from CRNNL be forwarded to the CNS. Otherwise, the IEN must request the testing company to send an original report of the test scores to the CNS. Acceptable tests and scores are:
 - **IELTS** (International English Language Testing System – Academic version) overall score of 7.0 with scores of 7.0 - speaking, 7.5 - listening, 6.5 - reading, and 7.0 - writing. Standard Error of Measure (SEM) of 0.5 will be applied to test scores.

IEN students whose test scores expire while still in the IEN Bridging/RN Re-Entry Program may remain in the program if the IEN student is living and/or working in a setting where they are consistently using English as the primary language and no language issues arise. However, it is important to note that the nursing regulatory body requires a current (within two years) English Language Proficiency test score prior to awarding a practicing license.
